MARIA THERESIA - DAS MUSICAL

Dieter Falk & Paul Falk | Vocal & Piano | SDP424-25

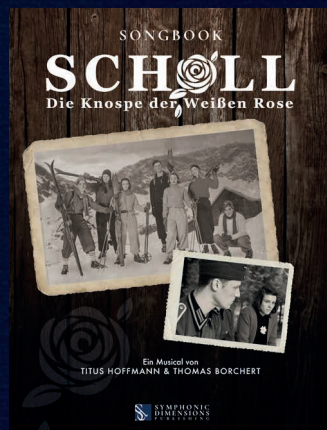

With **Maria Theresia –**

Das Musical, die Vereinigte Bühnen Wien bring one of Europe's most fascinating rulers to the stage in a modern pop musical. The music is by Dieter Falk, one of Germany's most distinguished and successful composers, together with his son Paul Falk, one of the country's most promising young music creators, as well as the renowned singer-songwriter Jonathan Zelter, whose songs regularly reach millions of people.

SCHOLL - DIE KNOSPE DER WEISSEN ROSE

Thomas Borchert & Titus Hoffmann | Vocal & Piano | SDP451-26

The "White Rose Bud" is not Sophie Scholl, but her brother Hans. He carries within him the seed of what would later become the **White Rose**, the nonviolent resistance group formed by young students in Nazi Germany that called for opposition to the regime through a series of influential leaflets. Rather than portraying them simply as future resistance heroes, the musical shows young people searching for love, freedom and their place in the world. Despite artistic freedom, the story remains closely connected to historical events.
